

Apple iPad®

iPad 2

Now with iOS 5 and iCloud, it just got even harder to put down.

iPad 2 is the best way to browse email, surf the web, share photos, and do the other things you do every day. And now with over 200 new software features in iOS 5, it's better than ever.

Key Features

- 9.7-inch (diagonal) LED-backlit display with IPS technology
- Dual-core A5 chip
- Front and back cameras for FaceTime video calls and HD video recording⁴
- Up to 10 hours of battery life¹
- iOS 5 with over 200 new features
- iCloud, which wirelessly pushes your content to all your devices³

iPad 2 Accessories

iPad 2 Dock

Sync or charge your iPad 2 just by setting it in this dock. The audio line out port lets you connect to powered speakers via an audio cable (sold separately). It supports iPad accessories such as the Apple Digital AV Adapter and the iPad Camera Connection Kit.

\$29

iPad Smart Cover

The iPad Smart Cover was designed alongside iPad 2 to be its perfect match: A thin, durable cover that magnetically aligns for a perfect fit. It automatically wakes your iPad when you open it. And it folds into a handy stand for reading, watching, and typing.

\$39

iPad Camera Connection Kit

Import photos and videos from a digital camera with your camera's USB cable or directly from an SD card. iPad supports standard photo formats, including JPEG and RAW. So photos can appear on your iPad moments after you take them.

\$29

Apple Digital AV Adapter

Slides, movies, photos, and everything else that fills your iPad can debut on an even bigger screen with the Digital AV Adapter. The 30-pin to HDMI cable connects your iPad to an HDTV, video projection screen, or other HDMI-compatible display.

\$39

* 1GB = 1 billion bytes; actual formatted capacity less. 1 Battery life varies by use and configuration. See www.apple.com/batteries for more information. Testing conducted using preproduction iPad 2 units and software performing each of the following tasks: video playback, audio playback, and Internet browsing using Wi-Fi or 3G. Battery life depends on device settings, usage, and many other factors. Actual results may vary. 2 App count refers to the total number of apps worldwide. 3 iCloud requires iOS 5 on iPhone 3GS or later, iPod touch (3rd and 4th generation), iPad, or iPad 2; a Mac computer with OS X Lion; or a PC with Windows Vista or Windows 7. Some features require a Wi-Fi connection. Some features are not available in all countries. Access to some services is limited to 10 devices. 4 Requires a FaceTime-enabled Mac with an Internet connection or a FaceTime-enabled iOS device with a Wi-Fi connection. Not available in all areas. 5 3G data plan is sold separately.
