

# Apple iPod classic®

## iPod classic

With 160GB of storage, iPod classic can hold up to 40,000 songs, 200 hours of video, 25,000 photos, or any combination. Its sleek, all-metal enclosure is available in quintessential silver or striking black. With up to 36 hours of battery life, iPod classic keeps you rocking for a long, long time. The Genius playlist feature creates an on-the-fly playlist of songs in your library that go great with the song you're listening to.

**160GB: Black or Silver**  
**\$249.00**
